

What is Engaged Encounter?

Catholic Engaged Encounter is an investment in the future of your marriage – a weekend in which an atmosphere is created for each couple to concentrate exclusively on one another, free of the tensions, pressures and interruptions of daily living.

It is a quiet weekend, specifically designed to give a couple planning marriage the opportunity to talk candidly and confidentially about their future together. You'll explore your mutual strength and weaknesses as you listen to presentations and work through exercises as a couple.

Topics cover the ups and downs of romance, disagreement, family life and children, money and sex, and the church and society.

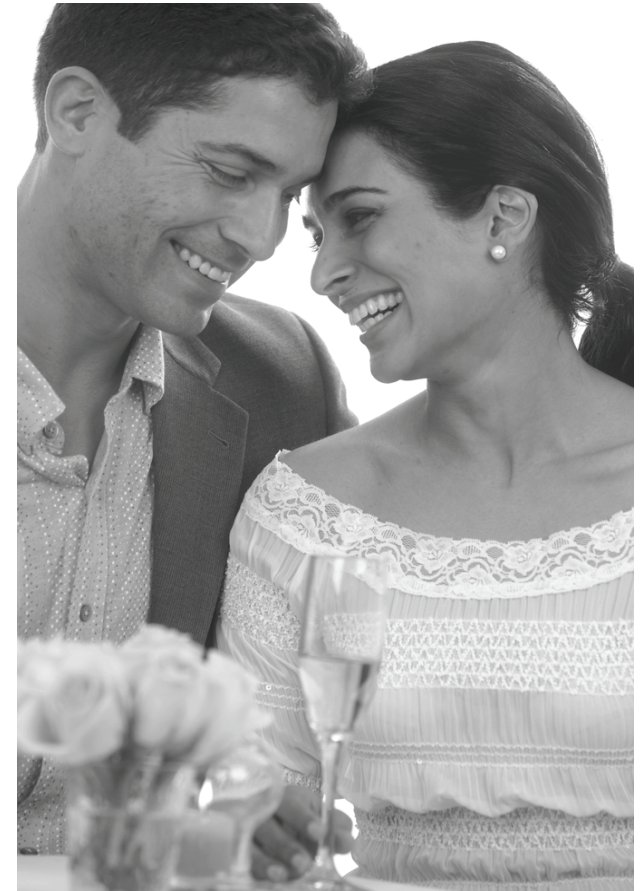

A specially trained team facilitates and guides the weekend. Their presentations include personal sharing of their marriages and family issues and encourage you to become involved in your own process of discovery.

Do we have to be Catholic?

No, couples of all faiths are encouraged to take part as they prepare for marriage. Though the weekend is Catholic in orientation, couples of all faiths are welcome.
